MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Contract No. HF-CJ-2219 with Eastman Kodak Company, Project DYEWED-18 (AIR FORCE).

1. This memorandum contains a recommendation submitted for approval of the Project Director. Such recommendation is set forth in Paragraph 5.

2. Contract No. HF-CJ-2219 provides for the furnishing of personnel by Eastman Kodak Company to assist FOG in the start-up and initial operations of the film processing plants at Del Rio, March and Westover Air Force Bases. This contract, as well as the contract providing for construction of the processing plants, has been drawn pursuant to memorandum from the Deputy Chief of Staff, Materiel, USAF, to the Project Director, dated 12 September 1957, subject: "Extension of Work on Contract HF-EQ-6081," wherein it was requested that the Agency act as the procuring activity for reasons of security. *Noted*

Patrice
3. Contract No. HF-CJ-2219 is a labor-hour type contract and obligates \$64,220 chargeable to "No Year" funds (1958) previously transferred to the Agency by the Department of the Air Force. By concurrence to this memorandum the Project Comptroller signifies that sufficient funds are available for this obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.

5. Approval of Contract No. HF-CJ-2219 and execution
